

Kids' Chance Awareness Week November 12–16

Kids' Chance Awareness Week is November 12-16. In recognition of this special week, we're providing you with some background about Kids' Chance of California (KCOCA)—an organization whose mission is to provide need-based educational scholarships to the children of California workers who have been fatally or seriously injured on the job.

With generous donations from our sponsors, KCOCA has raised over \$679,000 in the last six years, with over \$627,000 already dispersed or pledged to 43 students!

Visit our [Scholarship Recipients page](#) and search Kids' Chance of California on YouTube to hear how the scholarships have helped support our scholar's educational dreams.
