

Support Kids' Chance of California While Shopping on Amazon.com

Did you know you can donate to your favorite charity while shopping on Amazon? That's right! You can elect to donate 0.5% of your purchase to the charity of your choice by shopping on Amazon Smile.

All you have to do is log into your Amazon account by visiting smile.amazon.com and select Kids' Chance of California as your charity of choice. Be sure to select Kids' Chance of **California**, as there are other Kids' Chance organizations.

How Does it Work?

1. Visit smile.amazon.com

The entire Amazon shopping experience and pricing is the same and most products available on amazon.com are available at Amazon Smile.

2. Sign in and Select Kids' Chance of California

Once you're signed in, search for "Kids' Chance of California, Inc." From there, **select** Kids' Chance of California, Inc. as your charity.

Once selected, you'll receive an email confirmation and you can begin shopping.

3. Begin shopping!

Once you've selected your charity, your shopping experience will remain the same. Most products are eligible on Amazon Smile—if not, you'll be notified. You can checkout normally as well. No extra cost is passed onto you, and Amazon will donate 0.5% of your purchase to Kids' Chance of California, Inc. **To ensure Amazon donates 0.5% of your purchase price to Kids' Chance of California, you'll always need to shop from smile.amazon.com.**

4. Share with your friends

After you've successfully completed a purchase on Amazon Smile, you can share the news with your friends on Facebook, Twitter or via email.

About Kids' Chance of California

Serious work-related accidents can have a devastating impact on families, especially children, as parents must face the hurdle of funding their children's education—the key to their future and ours. Kids' Chance of California, a 501(c)(3) non-profit charitable organization, works to alleviate those pressures and provide educational scholarships to the children of California workers who have been fatally or seriously injured on the job.
