

Kids' Chance of California Sponsorship Program

Every year, thousands of California workers are seriously injured at work and more than 350 are killed. These events can devastate families. Part of the fallout can include a significant reduction in income that makes saving money for college or vocational school seem out of reach.

Kids' Chance of California (KCOCA) provides need-based educational scholarships to the children of California workers who have been fatally or seriously injured on the job. Without the generous support of our sponsors, we would not be able to fulfill this mission.

In return, our sponsors gain visibility as a valuable partner in the statewide Kids' Chance Community, which many report creates a deep sense of pride for their staff. We also gather each year for an exclusive Sponsor Recognition Event featuring a must-see student panel. This year's event will be held during the workcompcentral Comp Laude Gala, October 9, 2018 at the Hyatt Manchester Bay San Diego from 5-6:30 pm.

Sponsorship Levels

Diamond Sponsor – Annual contribution of \$20,000
