### Kids' Chance of California Announces 2026–2027 Board of Directors

**San Diego, CA** — Kids' Chance of California (KCCA), a 501(c)(3) non-profit organization that provides educational scholarships to the children of California workers who have been seriously or fatally injured on the job, is pleased to announce its Board of Directors for the 2026–2027 term. The incoming leadership reflects KCCA's continued commitment to expanding educational opportunities and supporting the long-term success of the students it serves.

The 2026–2027 Board brings together a diverse group of professionals from inside and outside of the workers' compensation community who share a passion for service, governance excellence, and student success. Their collective experience and dedication will help guide KCCA's mission, expand scholarship impact, and strengthen partnerships statewide.
